NOTE:

Animals inspected pre and post slaughter by a licensed Veterinarian and found free of disease. Use only for the manufacture of unlicensed, non-injectable diagnostic products not subject to license by the FDA under Section 351 of the Public Health Service Act.

TESTING:

This material has NOT BEEN VIRAL TESTED.

CAUTION:

The values expressed in the Certificate of Analysis represent best efforts to provide accurate and reproducible data about the material. However, test methods and techniques for biologicals may produce variable results; therefore, the user should evaluate the material for suitability in a given system prior to use. Lot specific samples are available at the customer's request and users are encouraged to evaluate the sample prior to use. The safe and responsible handling of the products listed above is the responsibility of the customer. We accept no liability for injury resulting from their use or handling. The customer assumes responsibility for the proper disposal of all materials in accordance with proper Federal and State regulation.

WARRANTY:

Golden West BioSolutions, LLC makes no claim or warranty that this product will perform or is suitable for use in a customer's application. It is the customer's responsibility to evaluate and qualify the product's suitability for the customer's intended use or application. Furthermore, this product is a biological material, and lots may vary so it is the customer's responsibility to determine if an evaluation of each lot is warranted.
