NOTE:

This is to certify that the raw material used to manufacture Bovine Serum Albumin was derived exclusively from abattoirs located in New Zealand. The animals received and passed ante- and post-mortem inspection under a veterinarian's supervision and were passed as free of infectious or contagious diseases and injurious parasites.

TESTING:

This material has NOT BEEN VIRAL TESTED.

CAUTION:

Products are intended for research or manufacturing of non-injectable products only. The safe and responsible handling of the products listed above is the responsibility of the customer. We accept no liability for injury resulting from their use or handling. The customer assumes responsibility for the proper disposal of all materials in accordance with proper Federal and State regulation.

WARRANTY:

Golden West BioSolutions, LLC makes no claim or warranty that this product will perform or is suitable for use in a customer's application. It is the customer's responsibility to evaluate and qualify the product's suitability for the customer's intended use or application. Furthermore, this product is a biological material, and lots may vary so it is the customer's responsibility to determine if an evaluation of each lot is warranted.
